Élections 2022 – Mesures Interdites

DATE: 17 mai 2022
FILIÈRE : GR-04-2022

INTRODUCTION

L'année 2022 est une année d'élection municipale en Ontario. Le 19 août 2022, jour de la déclaration de candidature lorsque les déclarations de candidatures seront certifiées, la municipalité pourrait se voir imposer des restrictions en vertu de la provision de la *Loi de 2001 sur les municipalités* (la Loi), concernant les mesures interdites après la date limite des mises en candidatures, communément appelées dispositions de « canard boiteux » (lame duck). Cette situation pourrait aussi se prolonger après le jour du scrutin, selon le résultat des élections.

La Loi prévoit que dans un tel cas, le conseil peut déléguer certains pouvoirs à l'administration afin de permettre le fonctionnement efficace de la municipalité.

NATURE DE LA DEMANDE

Le greffe propose au conseil l'adoption d'un règlement afin de déléguer certains pouvoirs à l'administration dans le cas où le conseil serait en position de « canard boiteux ».

CONTEXTE LÉGAL

En vertu de l'article 275 de la Loi, le conseil ne peut prendre aucune des mesures énumérées ci-dessous :

- La nomination d'un fonctionnaire de la municipalité ou sa destitution
- L'embauche ou le congédiement d'un employé de la municipalité,
- La disposition d'un bien meuble ou immeuble de la municipalité dont la valeur dépasse 50 000 \$ au moment de sa disposition,
- L'engagement d'une dépense ou la constitution d'une autre dette s'élevant à plus de 50 000 \$.

Si, à la date limite des mises en candidatures, l'une des dispositions suivantes s'applique au nouveau conseil qui entrera en fonction à la suite des élections :

- S'il doit se composer du même nombre de membres que le conseil sortant, le nouveau conseil comptera moins de trois quarts des membres du conseil sortant ;
- S'il doit se composer d'un plus grand nombre de membres que le conseil sortant, le nouveau conseil comptera moins de trois quarts des membres du conseil sortant, et si oui, que les trois quarts du conseil sortant ne constitueront pas la majorité des membres du nouveau conseil ; ou
- S'il doit se composer de moins de membres que le conseil sortant, qu'au moins les trois quarts des membres du nouveau conseil auront été membres du conseil sortant, ET si oui, que les trois quarts du conseil sortant ne constitueront pas la majorité des membres du nouveau conseil.

Cette vérification devra aussi être faite après le jour du scrutin, et selon le résultat des élections, la situation de « canard boiteux » pourrait se prolonger jusqu'à l'entrée en fonction des membres du nouveau conseil, le 15 novembre 2022.

IMPLICATIONS FINANCIÈRES

COMMENTAIRES

Le conseil a choisi, en 2021, de réduire le nombre de membres du conseil à 5, soit 4 conseillers et le maire. Cela veut dire qu'au moins 4 membres du conseil sortant devraient potentiellement être membre du nouveau conseil pour éviter une situation de « canard boiteux ».

Cette détermination se fera au lendemain de la date limite pour soumettre une candidature à un poste au sein du conseil, ainsi qu'au lendemain des élections, le 25 octobre 2022.

Il est important de préciser que cette mesure restrictive quant à la disposition de bien meuble ou immeuble, ou encore l'engagement d'une dépense excédant 50 000 \$ ne s'applique qu'aux décisions n'ayant pas été entérinées avec l'adoption du plus récent budget adopté.

Afin de pallier cette éventualité, et pour permettre que les affaires de la municipalité puissent se poursuivre sans interruption, il convient de déléguer l'autorité au directeur général, en vertu du règlement proposé en annexe. Ce règlement spécifie que cette autorité ne survient qu'au cas où l'autorité du conseil est restreinte après le 19 août 2022, ou au lendemain du jour du scrutin, le 25 octobre prochain, jusqu'à l'assermentation du nouveau conseil, le 15 novembre 2022.

Il est important de noter que cette autorité déléguée ne sert qu'à assurer le bon fonctionnement de la municipalité, et qu'elle ne sera utilisée qu'en cas de besoin. Si le directeur général doit agir en vertu du règlement proposé, un rapport détaillant les actions prises durant cette période sera présenté au nouveau conseil, pour expliquer les décisions prises, en toute transparence.

Les chefs de départements seront avisés de la possible situation de « canard boiteux » et seront invités à prévoir les demandes au conseil nécessaires au bon fonctionnement de leur département respectif afin qu'elles soient présentées au conseil d'ici le 12 juillet, dernière réunion ordinaire avant le 19 août 2022, date limite pour soumettre une candidature en vue des prochaines élections.

Le règlement proposé sera présenté au conseil lors de la réunion du 7 juin prochain pour adoption.

LIEN AVEC LE PLAN STRATÉGIQUE

L'adoption du règlement proposé rejoint la stratégie d'appui à la bonne gouvernance du Conseil du plan stratégique.

Réglementation

Proposition de modification du règlement régissant les ventes de garage dans le Canton d'Alfred et Plantagenet

DATE: 17 mai 2022
FILIÈRE : R-03-2022

INTRODUCTION

Ce rapport est présenté afin de considérer une modification au règlement régissant les ventes de garage dans le canton d'Alfred et Plantagenet.

NATURE DE LA DEMANDE

Certains résidents de la municipalité ont soumis des commentaires sur le fait qu'il est actuellement impossible pour les citoyens de tenir des ventes de garage durant deux weekends consécutifs. De plus, le règlement en vigueur n'autorise les ventes de garage qu'à des périodes déterminées.

Afin de répondre aux demandes des citoyens, nous proposons que le règlement soit modifié pour y inclure la possibilité de tenir des ventes de garage aux dates qui leur conviennent, moyennant le paiement d'un permis, émis par le département de la réglementation, jusqu'à concurrence de trois par année.

CONTEXTE LÉGAL

Le règlement actuel autorise les ventes de garage lors des périodes suivantes :

Le premier weekend complet des mois de mai, juin, juillet, août, septembre et octobre de chaque année.

Le long weekend du mois de mai, lors du congé de la Fête de la Reine.

Les longs weekends des mois d'août (congé civique) et de septembre (Fête du travail).

Cela offre une possibilité de neuf ventes de garage, ou de sept si les premiers longs weekends de septembre et août coïncident avec la Fête du travail et le Congé civique.

COMMENTAIRES DES AUTRES SERVICES

Sans objet

IMPLICATIONS FINANCIÈRES

Le département propose d'exiger des permis pour tenir des ventes de garage lors d'un weekend autre que ceux énumérés dans le règlement. Les frais pour un tel permis seraient 20 \$.

Si les officiers doivent se présenter sur les lieux d'une vente de garage pour laquelle aucun permis n'a été délivré, ils pourront en émettre sur le champ, au coût de 35 \$.

COMMENTAIRES

L'intention du règlement actuellement en vigueur est d'offrir la possibilité aux citoyens de tenir des ventes de garage, tout en évitant que ces mêmes ventes de garage aient lieu tous les weekends, afin de ne pas créer de nuisance pour le voisinage, avec la circulation accrue et l'achalandage.

Malgré que la municipalité reconnaisse la pertinence de pouvoir à l'occasion tenir une vente de garage sur deux weekends consécutifs, il convient d'encadrer le processus pour éviter les débordements.

Ainsi, nous proposons de modifier le règlement afin de permettre la tenue des ventes de garage sans permis, lors des trois weekends suivants :

Le long weekend de mai, lors du congé de la Fête de la Reine.

Les longs weekends d'août (congé civique) et de septembre (Fête du travail).

À ces weekends, s'ajouterait la possibilité pour les citoyens de demander un permis à trois occasions durant la période estivale, entre mai et octobre de chaque année.

Cette stratégie ferait en sorte que le nombre total de ventes permises demeure pratiquement le même, et offrirait tout de même la possibilité pour ceux qui le souhaitent de tenir une vente de garage sur deux weekends consécutifs.

Le département de réglementation recommande qu'un règlement modifiant le règlement 2010-95 soit adopté pour refléter les changements proposés et que le règlement 2015-73 soit abrogé.

Si le conseil approuve cette recommandation, le règlement sera présenté pour adoption lors de la réunion ordinaire du 7 juin 2022.

NOTE DE SERVICE

DESTINATAIRES : Membres du Conseil

DATE : Le 17 mai 2022

EXPÉDITEUR : Annie Rochefort, Greffière

SUJET : Proposition de règlement pour régir les feux d'artifices dans le Canton d'Alfred et Plantagenet

Le département de la réglementation reçoit, chaque année, des plaintes concernant l'usage de feux d'artifice dans les secteurs résidentiels, sur le territoire du canton.

Le déploiement inattendu de ces feux d'artifice occasionne souvent des problèmes pour les propriétés voisines, en particulier à cause du bruit et aussi du fait que cela effraie les animaux de compagnie. De plus, en période de sécheresse estivale, les risques d'incendie sont accrus.

Ainsi, le département de la réglementation propose un règlement afin de mieux encadrer ces pratiques et permettre que les feux d'artifice, lorsque permis, se déroulent en toute sécurité. Le règlement proposé interdira les feux d'artifice, sauf à certaines dates précises :

Deux jours avant et après le Jour de l'an
Deux jours avant et après la fête de la Reine
Deux jours avant et après la St-Jean Baptiste (24 juin)
Deux jours avant et après la fête du Canada.

Un permis est également requis, et le département propose que les frais associés à ce permis soient de 50 \$ pour les particuliers (Consumer Fireworks) et de 250 \$ pour les spectacles pyrotechniques (Display Fireworks, Special Effect Pyrotechnic).
